Closing balance of amounts transferred to DEAF: Rs. 16.56 Crore (12) Impact of COVID-19 Pandemic: The outbreak of COVID-19 pandemic across the globe has contributed to a significant decline and volatility in the Global and Indian Financial Markets and slowdown in the economic activities. The Bank's business is expected to be impacted by lower lending opportunities and reversals in the short to medium term. The Bank's capital and liquidity position has been found to be strong and work continues to be the focus area of the Bank during this period. On March 31st, 2021, the working results have been reviewed by RBI (13) COVID-19 Pandemic: In line with the requirement as per RBI guidelines dated April 17th, 2020. The provisions held by the Bank are in excess of the RBI prescribed norms. The extent to which the COVID-19 Pandemic will impact the Bank's provision of assets and future results will depend on future developments, which are uncertain, including, among other things, any new information concerning the severity of the COVID-19 Pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Bank. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Bank will continue to closely monitor any material changes to future economic conditions.

Note: (1) The above results have been approved and taken on record by the Board of Directors of the Bank at the meeting held, through video conference mode, on 05.06.2021 (2) The financial results have been prepared following the same accounting policies and practices as those followed in the annual financial statements for the year ended 31st March 2020. (3) The working results have been arrived at after considering provisions for standard assets and non-performing assets as per prudential norms issued by NABARD and provision for taxes and other necessary provisions.
