Dear Sir,

**Sub: Completion of 3 years of Amazon Seller Flex Operations**

We would like to inform you that today Nihar Info Global Limited has successfully completed 3 years of Amazon Seller Flex Operations. This is a milestone achievement for the Company and the Company has processed more than 20,000 orders with PRIME Tag through its Amazon Seller Flex Certified Warehouse.

Seller Flex is a program which is intended to share Amazon's best practices in warehousing, inventory management, and shipping with the sellers. This way, sellers have greater flexibility and growth in their expertise. It is mainly for the sellers who availed FBA (Fulfillment by Amazon, an amazon warehouse) option. This program helps sellers to minimize the cost of transporting their goods to Amazon warehouse and taking back non-moving products from warehouse.

Nihar Info Global Limited also sells on other leading marketplaces like Flipkart.com, Paytm.com and Snapdeal.com and also has its own Flipkart Smart Fulfillment Center.

Please take the same on records.

Thanking you,

Yours truly,

For Nihar Info Global Limited
